The
FREEDOM TRUCK
Mobile Museum

CELEBRATING
AMERICA'S 250TH

HOP ON BOARD!

Embark on an interactive journey through 250 years of America! Inside this Freedom Truck, you'll learn the stories of the men and women who built our country from a vast wilderness into this great nation.

Sign your name to the Declaration of Independence, try cracking a code from George Washington's spy ring, and discover how Americans from all walks of life contributed to our heritage of innovation and inspiration.

Commissioned by Freedom 250, a national, non-partisan organization leading the celebration of America's 250th birthday, six Freedom Truck mobile museums will travel to schools and events in the United States throughout 2026.

Visit Freedom250.org to view the Freedom Truck schedule and explore other national events and activities that celebrate America's birthday, including "The Story of America" video series and much more!

Scan QR Code or visit
our website to discover
more ways to celebrate.
